Lunya Ham Carving Masterclass

(and so much more!)

26th June & 26th September Liverpool

27th June & 27th September Manchester

For 5 years, we have been training ham lovers in the North West of England how to carve ham. Always a very popular sell out, our next one is on 19th January 2016. We have Mario Hiraldo, an expert Master Carver from Spain running a ham carving evening.

The night will consist of a demonstration of ham carving, expert talk from Mario, a chance to practice carving yourself, and a ham and wine feast, with 3 wines paired to each of the hams, snacks and tapitas. We will be demonstrating Trevélez Serrano, Ibérico and Bellota hams.

If you have ever fancied learning about ham carving and love all things ham, then this is a great night for you.
