**Catalonian Deli, Restaurant and Bar in Liverpool One & Deansgate, Manchester**

We make all of our food ourselves. We do not buy anything in. Everything is made from the finest quality supplies either imported from artisan producers in Spain or local producers to the North West of England – this includes all our meats, sauces, dips; everything – nothing comes out of a packet or box.

### **Outside Catering**

Ribera, Dali, Miro and Gaudi include the supply of paper/plastic plates, dishes, forks, spoons and paper napkins. The buffet will be set up, left unattended and the customer will be responsible for clearing up.

All other buffets include the provision of much higher quality settings and materials, a staffed buffet and full clearance and cleaning up at the end of the service. The Canapés are served by waiters/waitresses. If you would like to include a waited on service for other buffets, the cost is £20 per hour, per 50 people.
