Food Allergies & Intolerances: Please tell your server immediately if anyone in your party has a food allergy or intolerance. We label our menus with the three most common allergens. (g) Gluten, (m) Milk, (n) Nuts, (v) Vegetarian and Vegan (n) indicates that other allergens are also present. Please refer to our full allergen matrix sheet for details and ask your server if you are unsure about anything. We work to best practices, but this does not completely eliminate the chance of cross contamination. Some ingredients come in with a warning of 'may contain'; we do not label this in our menu, please check our allergen matrix, available from your server.

DRINKS

Whilst we financially recover from Covid, we have a reduced wine-list. If you have a favourite which is not listed, ask your server to check in case we have a bottle of your favourite on a shelf. We'll be back to normal, soon, we hope. 🍷 Denotes that the wine is suitable for vegans

Peter & Elaine's picks 🏆 You will see this symbol throughout our wine list. Every wine has been personally selected by us from visiting many of Spain's very best vineyards and wine-makers. We'd urge you to give them a go – we highly recommend them.
