Food Allergies & Intolerances: Please tell your server immediately if anyone in your party has a food allergy or intolerance. We label our menus with the three most common allergens. Gluten (g), Milk (m), Nuts (n), Vegetarian and Vegan. (a) indicates other allergens are also present. Please refer to our full allergen matrix sheet for details and ask your server if you are unsure about anything. We work to best practices, but this does not completely eliminate the chance of cross contamination. Some ingredients come in with a warning of 'may contain'; we do not label this in our menu, please check our allergen matrix, available from your server
