

## LARGE GROUP MENU

Groups of 15 or more people must choose from one of our Tapas Banquet menus. This way, you can be sure of your entire group being served together, a uniform price per person, and in our experience an all-round easier time when it comes to pay the bill! All prices are per person. One banquet is needed for each person dining (all people in the group should have the same banquet) and they are split into multiple courses. Vegetarian and Vegan alternatives are available in every banquet. We can also cater for special diets. Other substitute dishes will carry supplements. If you want extra dishes on top of the banquet, please order these from your server. We can create a bespoke menu in advance, too. Banquets must be chosen at least 48 hours before visit date.
