Cochinillo 275

BABY SUCKLING PIG FROM SEGOVIA · FEEDS 6-9 PEOPLE

We import whole baby suckling pigs from Segovia and serve them in true Spanish style — brought to the table whole and carved by our skilled team using only a plate, the traditional Segovian way. The crackling is as thin as a piece of card, and the meat is the most extraordinary pork you are ever likely to taste. Perfect for groups and special occasions.

Priced at 275 for the whole pig. To complement the Cochinillo, we recommend ordering tapas to start and to accompany it — just choose from our menu on the day.

Txuleton 89

WHOLE 1KG BONE-IN STEAK · GALICIA & THE BASQUE COUNTRY · PERFECT FOR 2 TO SHARE

A whole (approx.) 1kg steak from ex-dairy cattle in Galicia and the Basque Country. Bone-in, with sensational fat and a believably full-flavoured meat with a wonderful chew. Grilled on the plancha, served rare (unless you insist), with home-made chips and padrón peppers.

Moritz Chicken 30

WHOLE ROAST CHICKEN · SERVES 2-4 AS A MAIN, OR UP TO 8 AS A SHARING DISH

Marinated in a fabulous recipe from Fàbrica Moritz in Barcelona and roasted over a can of Moritz beer — the juiciest chicken and the most sensational sauce you will ever taste. Brought to the table whole, then carved into 6-10 pieces. A proper showstopper.
